### **Sixth European Quality Assurance Forum “Quality and trust: at the heart of what we do”**

**17-19 November 2011, co-hosted by the University of Antwerp and the Artesis University College in Antwerp, Belgium**

The European University Association (EUA) is pleased to invite you to the sixth European Quality Assurance Forum (EQAF). Every year, the EQAF brings together high-level speakers on Quality Assurance (QA) in higher education and professionals from the HE sector to discuss the latest trends in QA.

The event will include several plenary sessions and workshops on topics such as “European QA from a global perspective”, new European developments in the field and a session on university rankings.

Speakers will include Fiona Crozier, Vice-President of the European Association for Quality Assurance in Higher Education (ENQA), and Sjur Bergan, Head of the Higher Education and Research Division, Council of Europe.

The Forum is co-organised by EUA, ENQA, the European Students’ Union (ESU) and the European Association of Institutions in Higher Education (EURASHE) and aims to create a unique platform for the higher education and QA communities to monitor, shape and anticipate developments in the area.
